Manual Testing Plan

Feature	Scenario	Tester	Last Tested	Passing	Comments
Back and Forward Buttons	I press the back button with back history			false	
	I press the back button without back history			false	
	I press the forward button with forward history			false	
	I press the forward button without forward history			false	
	I create a new model then try navigating			false	
	I delete a model and then try to navigate			false	
Dependencies	Viewing dependencies			false	
	Adding a dependency			false	
	Adding a cyclic dependency			false	
	Removing a dependency			false	
	Depth of a dependency			false	
	Dependency reporting			false	
Backlog Maintenance	Create a new Backlog from the file menu			false	
	Create a new Backlog using the add button			false	
	Remove Backlog using the remove button			false	
	Short name unspecified			false	
	Short name is not unique			false	
	Valid Credentials			false	
	Cancel button pressed			false	
	Add a story to a Backlog			false	
	Remove a story from a backlog			false	
	Add a prioritised story to a Backlog			false	
	Change priority of a story using buttons			false	
	Change priority of a story using jump-priority buttons			false	
	Edit priority of a story			false	
Error reporting to a server	An error occurs in the application			false	
	Manually report a problem			false	
Estimating Stories	Change Backlog Estimate Type			false	
	Estimate a Story			false	
	Estimate a Story without AC's			false	
	Estimate an orphaned Story			false	
Button Placement on Dialogs	Default buttons on Delete dialog			false	
	Default buttons on confirm exit dialog			false	
	Button placement			false	
Actions on the file menu	Create a new model with unsaved changes			false	
	Create a new model with saved changes			false	
	SaveAs			false	
	Save an existing model			false	
	Save a new model			false	
Status Reports	Generating Reports			false	
	Saving Reports			false	
	Cancelling Saves			false	
Hyperlinks	View a team that is allocated to a project			false	
	View a person that is a member of a team			false	
	View a skill that is associated with a person			false	
List Display	Change the list display type, update list items			false	
	Select item from list display			false	
	Edit item			false	
	Sorted list			false	
	Edit item in sorted list			false	
Highlighting Story States	Disabled view-menu item			false	
	Toggle story highlight			false	
Logging Effort	Logging Effort			false	
	Logging Effort (seeing errors)			false	
	Logging Effort: Seeing past effort			false	
Parametrised Reports	Generate a full report			false	
	Generate report for projects			false	
	Generate report for teams			false	
	Generate report for people			false	
	Generate report for backlogs			false	
	Generate report for stories			false	
Project Allocation Maintenance	Add an allocation to a project			false	
	Allocations overlap			false	
	Unschedule work allocation			false	
Person Maintenance	Create a new person from the file menu			false	
	Create a new person using the add button			false	
	Remove person using the remove button			false	
	Short name unspecified			false	

Feature	Short name is not unique	Scenario	Tester	Last Tested	Passing	Comments
	Add a skill to a person				false	
	Remove a skill from a person				false	
	Person already has skill				false	
	Valid Credentials				false	
	Cancel button pressed				false	
Project Maintenance	Create a project from file menu				false	
	Create a new project using the add button				false	
	Remove project using the remove button				false	
	Short name unspecified				false	
	Short name is not unique				false	
	Valid credentials				false	
	Cancel button pressed				false	
Close the app	Close the app using file menu				false	
	Close the app using 'X' button				false	
Release Maintenance	Create a new Release from the file menu				false	
	Create a new release using the add button				false	
	Remove release using the remove button				false	
	Edit a release				false	
Responsive Forms	Resizing Main Window				false	
	Resizing Create Dialog				false	
Shortcuts	Delete a selected item				false	
	Add a item of the type in display list				false	
	Generate a report				false	
	Hide the display list				false	
	Show the display list				false	
	Open a Project				false	
	Save a Project				false	
	Create a Project				false	
	Create a Team				false	
	Create a Person				false	
	Create a Skill				false	
	Create a Release				false	
	Create a Backlog				false	
	Create a Story				false	
Revert	Revert with no unsaved changes				false	
	Revert with unsaved changes				false	
	Cancel Revert				false	
	SaveAs Revert				false	
	SaveAs cancel Revert				false	
Show or hide the side panel list	Show side panel list				false	
	Hide the side panel list				false	
Skill Maintenance	Create a new skill from the file menu				false	
	Create a new skill using the add button				false	
	Remove skill using the remove button				false	
	Short name unspecified				false	
	Short name is not unique				false	
	Valid Credentials				false	
	Cancel button pressed				false	
All Tasks View	Switching to the All Tasks Tab				false	
	Filtering Tasks				false	
	Ordering Tasks				false	
	Grouping Tasks				false	
Story Maintenance	Create a new Story from the file menu				false	
	Create a new story using the add button				false	
	Remove story using the remove button				false	
	Edit a story				false	
	Create a story without a Creator				false	
	Create a story with an empty short name				false	
	Creating an Acceptance Condition				false	
	Editing an Acceptance Condition				false	
Working with tabs	Creating a new tab with the new tab button				false	
	Creating a new tab with the shortcut				false	
	Closing a tab with the close button				false	
	Closing a tab with the close shortcut				false	
	Routing navigation through tabs				false	
	Showing and Hiding the Display List				false	
	Reordering tabs				false	
	Dragging tabs between windows				false	
	Closing Child Windows when dragging tab away				false	
	Closing child windows with no tabs				false	

Feature	Moving add button	Scenario	Tester	Last Tested	Passing	Comments
Sprint Maintenance	Create a new Sprint from the file menu				false	
	Create a new Sprint using the add button				false	
	Remove Sprint using the remove button				false	
	Edit a Sprint				false	
	Create a Sprint without a Backlog				false	
	Create a Sprint without a Team				false	
	Create a Sprint without a Release				false	
	Create a Sprint with an empty short name				false	
	Adding a non-ready a Story to a Sprint				false	
	Adding a Story to a Sprint				false	
	Remove a Story from a Sprint				false	
	Create a Story with invalid start end dates				false	
	Create a Story with empty start end dates				false	
	Create a Story with invalid end date				false	
Task Maintenance	Create a new Task				false	
	Update a Task				false	
	Expand a task				false	
	Collapse a task				false	
	Delete a task				false	
Changing Story State	Changing Story State to Ready				false	
	Changing story state to ready when not in a backlog				false	
	Changing a story state to ready when missing acceptance conditions				false	
	Changing a story state to Ready when not estimated				false	
	Changing the Story state to None				false	
Toolbar	Navigate Back				false	
	Navigate Back no Back Stack				false	
	Forward				false	
	Navigate Forward no Forward Stack				false	
	Revert				false	
	Undo				false	
	Redo				false	
	Add				false	
	Remove				false	
	Initial Save				false	
	Save				false	
	Save As				false	
	Open				false	
	Generate Report				false	
	Report Problem				false	
Team Maintenance	Create a team from file menu				false	
	Create a new team using the add button				false	
	Remove a team using the remove button				false	
	Short name unspecified				false	
	Short name is not unique				false	
	Add a peron to the team				false	
	Remove a person from the team				false	
	Person is already in a team				false	
	Valid Credentials				false	
	Cancel button pressed				false	
Undo or redo a change	Undo/Redo menu items				false	
	Undo a change				false	
	Redo a change				false	
	Delete an item				false	
Window Manger	Window is brought to the front				false	
	Window is sent to the back				false	
	User selects a partially hidden window				false
